

LEGION

9/11 MEMORIAL MATCH

When our country was attacked on 11 September 2001 our military was called to the gates, and 'The Legion' answered that call. Whether crushing the Taliban in Afghanistan, dismantling Al Qaeda in Iraq, or fighting the Islamic State in Syria, the Legion continues the fight against our nation's enemies. Many of the battles were fought in the shadows, known only to the few and the fallen. This 9/11, Chapter 38 invites you to honor the sacrifice and dedication of the Legion by participating in its first annual Memorial 2-Gun Match and Run & Gun.
