This event relies on your generosity for creating another memorable event in support of the competitors, range personnel and the Command. We will honor the sponsors & competitors in a professional manner.

We need a combination of cash and prize donations. Last year, we received over \$400,000 in support, mostly in prizes that went directly to the competitors and Range 37 staff. A portion of cash donations help provide food & drinks for the sponsor display area, trophies, T-shirts, lunch on the range, awards banquet and bar. Remaining cash donations will be distributed to the Special Forces Charitable Trust, Green Beret Foundation, Task Force Dagger and Special Forces Association to support veteran initiatives.

A Letter of Donation will be provided for 2018 taxes. The Special Forces Association is a Non-Profit Veterans Organization (501-C-19).

Requested prize donations include: rifles, pistols, scopes, night vision, sniper gear, knives and accessories. Please provide certificates of redemption for firearm donations. Please donate prizes in pairs, if possible. Sniper teams for the competition are two-man elements. Another option is to donate items for gift bags provided to all 50 competitors and 20 Sniper Cadre.
