

**9th Annual
USASOC Sniper Competition
18-23 March 2018**

Dear Sponsors,

The Special Forces Association, Chapter 62 would like to invite you and your company to participate in an event that tests and honors the best sniper teams in the United States Army Special Operations Command, Naval Special Warfare Command, Marine Special Operations Command and Allied Special Operations from around the world. Sniper teams converge on Fort Bragg to compete in a challenging and combat oriented five-day sniper competition. The USASOC Sniper Competition challenges their skills and tests their tactics to earn silent bragging rights throughout the Special Operations community. Competitors include Army Special Forces (Green Berets), Rangers, Special Mission Units, Navy SEALs, Marine Special Operations and Allied SOF Units. The United States Army John F. Kennedy Special Warfare Center and School and 1st Special Warfare Training Group (A) will host this competition with the Special Forces Association, Chapter 62 providing food, prizes and support to properly honor these men.

An on-range sponsor display will be located with the competition on Range 37, Fort Bragg, NC. The sponsor display is located in an environmentally controlled tent from 22-23 March 2018. A night observation and live fire event will occur the evening of 22 March. On 23 March, the sponsor display will continue for a half day and provide time for a daylight sponsor live-fire range demos and sponsor competition shoot. The evening of 23 March, competitors, sponsors and support staff will be honored at the awards banquet at the Pine Needles Lodge in Southern Pines, NC.

As a retired Special Forces soldier and patriotic American; I believe this to be a “must attend” event. The USASOC Sniper Competition provides your business team a unique opportunity to interact with current Special Operation snipers, focus product development, network with fellow defense industry representatives and give back to your best and most worthy customers.

Thank you for your continued support and I look forward to seeing you there.

Sponsorship Opportunities

All sponsorships will be coordinated by the Special Forces Association, Chapter 62

Point of Contact: **Sean Kirkwood @ 910-585-4108** or sdkwood@aol.com

We are depending upon your companies' generosity to make for another memorable event in supporting the competitors, range personnel and the command. We will honor the sponsors & competitors in a professional manner.

Donations are greatly appreciated and go directly to the event or will be donated to the Special Forces Charitable Trust, Green Beret Foundation, Task Force Dagger and the SFA Scholarship fund.

We need a mix of cash and prizes. Last year we received over \$300,000 in support mostly in prizes that went directly to the competitors and Range 37 staff. We want to do the same, but also need to cover the costs of the dinner and awards, so a generous cash donation is requested as well.

A Letter of Donation for your companies 2018 taxes will be provided for any gift in kind or cash donation(s); the Special Forces Association is a Non-Profit Veterans Organization (501-C-19).

Prizes we wish to receive include: **rifles, pistols, scopes, sniper gear, knives, field gear and accessories**. For gifts of firearms please provide certificates of redemption. Please donate prizes in pairs, if possible. Sniper teams for the competition are two-man elements.

Or

Provide gift items for gift bags to **all 50 competitors** (and/ or providing for **Range 37 Instructors / Range Staff** is also a great way to thank them and get your equipment into the school for use and/or evaluation).

Cash donations will be utilized to provide food & drinks during the competition sponsor display area, trophies, T-shirts, lunch and dinner on the range, gifts, awards banquet and bar. Remaining cash will be distributed to the Special Forces Charitable Trust, GBF, TF Dagger and SFA for worthy veteran support initiatives.
