This event relies on your generosity to create a memorable event in support of the competitors, range personnel and the Command. We will honor the sponsors and competitors in a professional manner.

We need a combination of cash and prize donations. Last year, we received over \$400,000 in support, mostly in prizes that went directly to the competitors, Range 37 cadre and support staff. A portion of cash donations help provide food & drinks for the sponsor display area, T-shirts, lunch on the range and the awards banquet. Remaining cash donations will be distributed Special Forces Association, Chapter 62 in to support numerous veteran initiatives.

The Special Forces Association is a Non-Profit Veterans Organization (501-C-19) and will provide Letter of Donation for tax purposes.

Requested prize donations include rifles, pistols, scopes, night vision, sniper related gear, knives, and accessories. Please provide certificates of redemption for firearm donations. Please donate prizes in pairs, if possible. Sniper teams will compete as two-man elements. Another option is to donate items for gift bags provided to all 50 competitors and 20 Sniper Cadre.
