Sponsorship Point of Contact: **Mark Carey – mcarey@spartanbladesusa.com or 910-489-1658**

This event relies on your generosity to create a memorable event in support of the competitors, range personnel and the Command. We will honor the sponsors and competitors in a professional manner.

We need a combination of cash and prize donations. Last year, we received over \$400,000 in support, mostly in prizes that went directly to competitors, Range 37 cadre and support staff. A portion of cash donations help provide food & drinks for the sponsor display area, T-shirts, lunch on the range and the awards banquet. Remaining cash donations will be distributed to the Special Forces Association, Chapter 62 to support numerous veteran initiatives.

The Special Forces Association is a Non-Profit Veterans Organization (501-C-19) & The Special Forces Trust is a 501(c)3 that will provide tax receipting for sponsorship of and donations to the USASOC Sniper Competition.

Requested prize donations include pairs (2 Each) of rifles, pistols, scopes, night vision, sniper related gear, knives, and accessories. Please provide certificates of redemption for firearm donations. Sniper teams will compete as two-man teams 2026. Another option is to donate items for gift bags provided to all 40 competitors and 20 Sniper Cadre.
